

Sri B. D. JATTI.—I agree with the Hon'ble Member ; there were so many difficulties and the expenses were much more than what was expected by the Government. Now considering all those things, we have re-investigated and reorganised the entire system of training.

Sri G. VENKATAI GOWDA.—Have you selected the trainees from all the blocks ?

Sri B. D. JATTI.—We are going to select craftsmen from different rural areas. We are thinking of having one rural centre in the district.

Sri B. L. NARAYANASWAMY.—What is the kind of training imparted?

Sri B. D. JATTI.—They are taught all kinds of crafts which are in the rural areas.

Sri B. L. NARAYANASWAMY.—What is the duration of training ?

Sri B. D. JATTI.—It varies from 1 to 2 years.

Sri C. K. RAJIAH SETTY.—In many of the training centres there are no students at all but only the staff as well as the establishment. In view of that, will the Government consider to close them immediately ?

Sri B. D. JATTI.—There are no centres where there are no students, but there are centres wherein the required number is not available. That is why we have decided to have only 21 centres wherever we get the full number.

ಶ್ರೀ ಎಸ್. ಸುಬ್ಬಯ್ಯನಾಯಕ್.—1957-58ರಲ್ಲಿ ಒಂದು ಲಕ್ಷ ಚಿಲ್ಲರೆ, 1958-59ರಲ್ಲಿ ಎರಡು ಲಕ್ಷ ಚಿಲ್ಲರೆ ಖರ್ಚು ಎಂದು ತೋರಿಸಿದ್ದೀರಿ. ಇದನ್ನು ಎನ್.ಇ.ಎಸ್. ಫಂಡಿನಿಂದ ಖರ್ಚು ಹಾಕಿದ್ದೀರೋ. ಅಥವಾ ಬೇರೆ ರಾಜ್ಯ ಸರ್ಕಾರದ ಫಂಡಿನಿಂದ ಖರ್ಚು ಹಾಕಿದ್ದೀರೋ ?

ಶ್ರೀ ಬಿ. ಡಿ. ಜತ್ತಿ.—ಎನ್. ಇ. ಎಸ್. ಮತ್ತು ಇಂಡಸ್ಟ್ರೀಸ್ ಡಿಪಾರ್ಟ್‌ಮೆಂಟ್ ಎರಡರಿಂದಲೂ ಆಗುತ್ತದೆ.

Sri A. R. BADRI NARAYAN.—Will the Government consider the desirability of increasing the number of centres ?

Sri B. D. JATTI.—The number will be reduced.

Sri G. VENKATAI GOWDA.—Are you going to absorb the trainees after training in the Government depart-

ments or will they be left to themselves ?

Sri C. K. RAJIAH SETTY.—Apart from the expenditure, may I know the capital investment on the training centres ?

Sri B. D. JATTI.—It will have to be calculated in respect of centres which we want to start now.

Sri U. M. MADAPPA.—May I know whether all the training centres are situated in the rural areas or in the urban areas ?

Sri B. D. JATTI.—The idea is to start them as far as possible in rural areas.

Sri U. M. MADAPPA.—May I know whether the existing 21 centres are in the rural areas ?

Sri B. D. JATTI.—All these centres are to be reorganised and are to be re-started in proper places.

Sri U. M. MADAPPA.—Is it not a fact that the increase in the number of trainees coming to the centres is due to the fact that it is situated in cities ?

ಶ್ರೀ ಬಿ. ಡಿ. ಜತ್ತಿ.—ಕೆಲವು ಕಡೆ ಆ ರೀತಿಯೂ ಇದೆ.

Sri J. B. MALLARADHYA.—Are the Government aware that the Labour Department is also running these craftsmen training centres—what are called industrial training institutes ?

Sri B. D. JATTI.—Yes.

Sri J. B. MALLARADHYA.—Where is the necessity for community development and N.E. block projects to get into this manner ?

Sri B. D. JATTI.—All these things will have to be combined together and run in an organised manner.

Reorganisation of the Public Works Department.

*Q.—260. **Sri C. K. RAJIAH SETTY** (Chikkanayakanahally).—

Will the Government be pleased to state :—

(a) the number of divisions and sub-divisions proposed to be formed in the re-organisation of the P.W.D.;

(b) the basis for the formation of extra divisions and sub-divisions ;

(SRI C. K. RAJAI AH SETTY)

(c) the extra expenditure proposed to be incurred as a result of re organisation of the Department ?

A.—Sri H. M. CHANNABASAPPA (Minister for Public Works and Electricity).—

(a) As against 48 Divisions and 202 Sub-Divisions (including temporary Divisions and Sub-Divisions) which existed prior to 31st July 1959, 40 Divisions and 204 Sub-Divisions (including temporary Divisions and Sub-Divisions) have been formed from 1st August 1959,—these figures are exclusive of those relating to Special Projects.

(b) The Divisions and Sub-Divisions have been reorganised broadly on the basis of the work loads and other principles recommended by the Public Works Department Re-organisation Committee and accepted by Government.

(c) The re-organisation of Divisions and Sub-Divisions has resulted in a net savings of about Rs. 72,732 per year.

Sri C. K. RAJAI AH SETTY.—May I know the basis on which new Sub-Divisions and Divisions are opened ?

†Sri H. M. CHANNABASAPPA.—Divisions and Sub-Divisions are formed, with due regard to geographical jurisdiction, administrative convenience, backwardness of taluks and areas, the existing set up, etc.

Sri C. J. MUCKANNAPPA.—In view of the heavy work in Tumkur District, will the Government consider dividing the Tumkur District P.W.D. into two parts—northern zone and southern zone ?

Sri H. M. CHANNABASAPPA.—This was considered, but the load was not sufficiently heavy for the two Divisions and for the time being we proposed to have one Division and we also propose to have an Executive Engineer.

ಶ್ರೀ ಕೆ. ವಿ. ರೇವಣ್ಣನಿದ್ದಪ್ಪ.—ಎನ್ಫಿಮೇಟ್ ಮಾಡಿದರೆ ತಾನೆ ಲೋಡ್ ಬರುವುದು!

Mr. SPEAKER.—Order, order.

Sri B. V. DESAI.—From the figures given by the Hon'ble Minister it is seen that the number of Divisions has been reduced by 8 and the number of Sub-

Divisions has been increased by 2. Is it correct ?

Sri H. M. CHANNABASAPPA.—It is exactly correct.

Sri B. V. DESAI.—In my District itself there were formerly two Sub-Divisions; now there are 5. How do you account for this ?

Sri H. M. CHANNABASAPPA.—Where there was no load, there were more Engineers and more Divisions and Sub-Divisions; where there was over-load, there were no Sub-Divisions. The special feature of this re-organisation is to remedy that.

Sri B. V. DESAI.—Is it a fact that where there was necessity, Sub-Divisions were lessened ?

Sri H. M. CHANNABASAPPA.—Where there was no necessity, the Sub-Divisions and Divisions were pulled out and where there was necessity they were provided.

ಶ್ರೀ ಕೆ. ಎಸ್. ನರಸಿಂಹಯ್ಯ.—ಭೌಗೋಳಿಕವಾಗಿ ಡಿವಿಜನ್‌ಗಳನ್ನು ಪುನರ್ವ್ಯವಸ್ಥೆ ಮಾಡಿದ್ದೇವೆಂದು ನೇರವಾಗಿಲ್ಲ. ನಿರಾಕೃತ ಕೊರಟಗೆರೆ 55 ಮೈಲಿ ಇದೆ. ಇದಕ್ಕೆ ಮಧುಗಿರಿ ಇದ್ದರೂ ನಿರಾವಸ್ಥೆ ಕೊರಟಗೆರೆ ನಬ್ ಡಿವಿಜನ್ ಗೆ ಸೇರಿಸುತ್ತೀರಿ, ಇದರಿಂದ ರೈತರಿಗೆ ತೊಂದರೆಯಾಗುವುದಿಲ್ಲವೇ ?

Sri H. M. CHANNABASAPPA.—Geographical Jurisdiction is not the only criterion. Administrative convenience and various other factors which I quoted just now all go into the picture.

ಶ್ರೀ ಎ. ಜಿ. ದೊಡ್ಡಮೇಟಿ.—ಈಗ ಧಾರವಾಡದಲ್ಲಿ ಎರಡು ವಿಭಾಗಗಳು ಇವೆ. ನವಿಲಗಂದ್ ಮತ್ತು ಗವಗಿಗೆ ಇನ್ನೊಂದು ಸಬ್-ಡಿವಿಜನ್ ಮಾಡುತ್ತೀರಾ ?

ಶ್ರೀ ಎಚ್. ಎಂ. ಚನ್ನಬಸಪ್ಪ.—ಸಾಕಷ್ಟು ಲೋಡ್ ಇದೆ ಎಂದು ಎರಡು ಸಬ್ ಡಿವಿಜನ್ ಮಾಡಿದ್ದೇವೆ. ಅವಶ್ಯಕ ಕಂಡು ಬಂದಾಗ ಮೂರನೆಯದನ್ನು ಮಾಡುವುದನ್ನು ಯೋಚನೆ ಮಾಡುತ್ತೇವೆ.

ಶ್ರೀ ಜಿ. ಎಸ್. ಬೊಮ್ಮೇಗೌಡ.—ಈಗ ಕೃಷ್ಣರಾಜ ಪೇಟೆ ಬಿಟ್ಟು ಮಂಡ್ಯ ಡಿವಿಜನ್‌ನಲ್ಲಿ ಎರಡು ಸಬ್ ಡಿವಿಜನ್ ಉಳಿಯುತ್ತವೆ. ಕೃಷ್ಣರಾಜ ಪೇಟೆ ಮಂಡ್ಯ ಡಿವಿಜನ್ ಸೇರಿದ ಮೇಲೆ ಒಂದೇ ಡಿವಿಜನ್ ಏತಕ್ಕೆ ಮಾಡಿದ್ದೀರಿ ?

ಶ್ರೀ ಎಚ್. ಎಂ. ಚನ್ನಬಸಪ್ಪ.—ಗೌರ್ಮೆಂಟ್ ಆರ್ಡರ್‌ನಲ್ಲಿ ಏನು ನಮೂದು ಆಗಿದೆಯೋ ಅವೆಲ್ಲವೂ ಎಸಿ.

Sri G. SIVAPPA.—Has it come to the notice of the Government that though Chitaldrug and Hosadurga and Holalkere are the biggest areas and the work load is more than Rs. 11 lakhs and though it has been brought to the

notice of the Hon'ble Minister, no action has been taken to open another Sub-Division?

Sri H. M. CHANNABASAPPA.—The guiding principle in re-organisation is that as far as possible each Taluk must have a Sub-Division, and wherever the work-load justified additional Sub-Divisions, the Government have no objection to start fresh Sub-Divisions.

Dr. R. NAGAN GOWDA.—Out of 48 Divisions 40 have been retained. What happened to the heads of those other 8 Divisions? Were they absorbed in some other works or were they sent home?

Sri H. M. CHANNABASAPPA.—There is no question of sending them home. This is only a question of re-organisation. As I have already stated, 14 Sub-Divisions have been abolished and 6 new Divisions have been created and these officers are re-distributed.

ಶ್ರೀಮತಿ ಬಸವರಾಜೇಶ್ವರಿ.—ರಾಯಚೂರಿನಲ್ಲಿ ವರ್ಕ್ ಹೆವ್ವಿ ಇರುವ ಸಲುವಾಗಿ ಮಾನವಿಯನ್ನು ಬಂದಾ ಸಬ್ ಡಿವಿಜನ್ ಮಾಡುವ ಯೋಚನೆ ಮಾಡುತ್ತೀರಾ?

ಶ್ರೀ ಎಚ್. ಎಂ. ಚನ್ನಬಸಪ್ಪ.—ಲೋಡ್ ಬಂದಾಗ ಆಲೋಚನೆ ಮಾಡುತ್ತೇವೆ.

Sri C. K. RAJIAH SETTY.—May I know whether, the Sanitary Circle is no more in existence?

Sri H. M. CHANNABASAPPA.—It has already been abolished.

Sri C. K. RAJIAH SETTY.—If you start new Divisions and abolish them later on, will it not cause a lot of dislocation in the regular work?

Sri H. M. CHANNABASAPPA.—Life itself is a question of trial and error.

Development of Roads used by Mining Vehicles in Chikkanayakanahalli Taluk.

*Q.—261. **Sri C. K. RAJIAH SETTY** (Chikkanayakanahalli).—

Will the Government be pleased to state :—

(a) the length of road where mining vehicles and machinery move in Chikkanayakanahalli taluk;

(b) whether these roads are included for development from the grants given by the Government of India in this behalf;

(c) if so, the estimated cost of these works?

A.—Sri H. M. CHANNABASAPPA (Minister for Public Works and Electricity).—

(a) 32½ miles.

(b) No.

(c) Does not arise.

Sri C. K. RAJIAH SETTY.—Here it has been said in answer to (a) that on 32½ miles length of road there is a lot a mining traffic. May I know why this length of road was not included under the grants given by the Government of India?

Sri H. M. CHANNABASAPPA.—The Government of India will give grants and also specify the particular roads on which those grants have to be spent.

Sri C. K. RAJIAH SETTY.—May I know whether the Central Government have not asked this Government to furnish a list of roads where there is mining traffic?

Sri H. M. CHANNABASAPPA.—The Government of India have ascertained all the necessary information from various sources and they have prescribed that the amount given by them should be spent on particular roads and the Government of Mysore have no choice in that.

Sri C. K. RAJIAH SETTY.—May I know whether the Central Government have not referred to this road while they ascertained information?

Sri H. M. CHANNABASAPPA.—Speaking from memory, I have not been called upon to give my opinion on this.

Sri C. K. RAJIAH SETTY.—When this information was ascertained Sri Veeranna Gowda was the Public Works Minister.

Sri H. M. CHANNABASAPPA.—I am speaking from memory, and that is why I said not that I know of. I will ascertain.
